

## Product Information

### Ergonomic Side Cutter Erem 2222 E with two new head forms

The extension of the successful Erem Ergonomic side cutter line: **2222EA** with **tapered head** and flush cut and the **2222EB** with **relieved head** and flush cut, e.g. for easier access on small boards. The side cutters feature:

- Self positioning adjustment of fingers and thumbs
- Less fatigue because gripping pressure is distributed over the full palm area
- Comfortable foam grips, easily interchangeable, ESD safe
- Built-in springs
- Opening stop limits handles from opening
- Re-sharpening possible

#### Tapered Head

Model	Blade Length	Head Width	Overall Length	max. Cu	Cut
